SELF DIAGNOSTIC GRID 2021

The classification guidelines lists all criteria that are obligatory for each category by the number of stars. This can help the owner to determine if the property can be classified and to determine the level of classification to request.

Simply complete the number of stars you would like to receive

| Mandatory criteria classification 1 star | | | | | |
|--|--|----------|--------|--|--|
| | Classification criteria | YES | NO | Further information | |
| Surface area of accommodation | | | | | |
| | Minimum surface area of a one-room accommodation unit for two people : 12m² | | | A room must have a door or window to the outside. | |
| | Average minimum surface area of the additional bedroom(s): 7m ² | | | Only rooms that are larger than 7 square metres are counted as additional rooms (for the 1*, 2* and 3* categories only). | |
| | Minimum surface area per additional person (in addition to the two initial people) per room : 3m² | | | Maximum 2 additional people per room. | |
| | Facilitie | s and Eq | uipmen | t | |
| 6 | Available socket in each room | | | Including bathroom(s) | |
| 8 | Telephone in the immediate vicinity | | | Maximum 300m | |
| 16 | Fixed walls between the rooms | | | | |
| 17 | Door or window to the outside in each room | | | Rooms without opening to the outside are not taken into account in the number of rooms. | |
| 18 | External (roller shutters, slatted blinds, etc.) or internal (curtains, double curtains, etc.) opaque room-darkening features in each room with a bed | | | | |
| 19 | Acoustic comfort: all technical precautions must be taken to ensure sufficient soundproofing in line with building regulations in force at the time of construction | | | Compliant with planning permission and building regulations for new buildings. | |
| 20 | Presence of heating | | | Heating in all the rooms, including the bathroom(s). Any type of heating (central, electric, other) | |
| 24 | Washing line or clothes airer | | | | |
| 25 | Cleaning equipment appropriate to the accommodation unit (minimum: a bucket and scrubbing brush with floorcloth or a mop and | | | | |

| | hughet with wringer versus along an | <u> </u> |
|----------------------|---|--|
| | bucket with wringer, vacuum cleaner or | |
| | equivalent, an iron and ironing board) | |
| | | |
| | | |
| 26 | Sufficient number of cupboards or storage facilities | Where there is a wardrobe, it must be equipped |
| | 10.000 | with good quality coat hangers. |
| 27 | Table and chairs corresponding to the number of persons the furnished unit can accommodate | |
| | persons the runnished drift can accommodate | Sofa bed admissible for the 1*, 2* and 3* |
| 28 | The living room is equipped with a sofa or | categories. The criterion is not applicable if there |
| | armchair(s) and coffee table | is no living room. |
| | | Tolerance for: |
| | Compliance of head(s) with the disconsistent of | - Bunk beds (80 cm x 190 cm) |
| 30 | Compliance of bed(s) with the dimensions : 1 person bed 80x190cm, double bed 140x190cm | - Sofa beds (130 cm x 190 cm) |
| | person bed 80x190cm, double bed 140x190cm | - Folding beds for studios (all categories) |
| | | Not permitted: bed(s) with mesh-sprung bases |
| 24 | One will an experience | To a dilla constant and with a halist a |
| 31 | One pillow per person | Two pillows may be replaced with a bolster. |
| 32 | Two blankets or one duvet per bed | |
| <u> </u> | · | |
| 33 | Mattresses protected by undersheets or removable covers | |
| | removable covers | |
| 34 | Bedside lamp with separate switch | Bedside table or wall lamp at each bed even for |
| | | beds in the living room. |
| | Sanitary equipme | |
| | Sanitary equipment required | |
| ~= | A private bathroom in an enclosed and well | Bathroom open onto the bedroom tolerated for |
| 37 | ventilated space within the accommodation unit | furnished accommodation units with maximum 1 bedroom. |
| | with independent access Minimum equipment in bathroom: | bedroom. |
| | - a basin with hot water | |
| 38 | - a shower or bath with shower over and shower | |
